Aazadi Ka Amrut Mahotsav -

On 15 August 1947, India got independence from the British Empire. Our country India has completed 75 years of independence and that is why today we are celebrating the nectar of independence with great joy and enthusiasm and inspired by patriotism. The Amrit Mahotsav of Independence was launched by Prime Minister Narendra Modi from Mahatma Gandhi's Sabarmati Ashram for 75 weeks from 12 March 2021. Our country has reached the highest level of development. Our country is celebrating 75 years of independence by remembering the leaders, revolutionaries, heroes who contributed directly and indirectly for this. By celebrating this nectar festival, India is proud of the entire world. Gangamai College of Education celebrated the same event.

FIELD VISIT REPORT-ANAND VIHAR

Place of Field Visit-

Date- 10th December 2019

1. Navjeevan Vidya Vikas Mandal Sanchalit Anand Vihar Old Age Home, Nagaon.
2. Asthi Vang Handicapped Residential School, Nagaon .
3. Integrated De-addiction Rehabilitation Center, Nagaon, Dhamane Road, Tal. & Dist.-Dhule.

Introduction-

Field visit is an important activity in internship work. The said organization was formed from the concept of Nanasaheb Shashikant Bhadane, the founder president of the organization. Firstly the place was selected for the field visit and after that the whole planning was done by the head of the group Dr. Korde Madam along with the students and in that way the purpose of the field visit was determined.

Old Age Home Anand Vihar-

Old Age Home About 20 old men and women were visited by the students. The area was very clean and tidy. Separate bed and mattress etc. were provided for each. The men's section and the women's section were separate. The provision of tea and meal at both times was good. All the rooms in the old age home were very clean. The office was very clean. The drinking water was sterilized. After going to the old age home, all the old women and men were interviewed by Dr. Korde Madam, the guide of the group as well as all the students. The elderly in the old age home came from different places in the district, including the villages of Jalgaon, Shahada, Sindkheda, Parola, etc. As the students had planned clothes and refreshments for the elderly devotees on the occasion, they were given them. The elders of the ashram were very happy to meet the students.

AsthiVyanga(Apang) Residential School-

AsthiVyanga(Apang) Residential School had about 50 students number of students from one to four consisted of 22 students. We went to the second and third class and met the students and the teachers. We inspected the handicrafts made by the students some of them bought the goods-Agarbatti, paidan, woolen handkerchiefs of different sizes made by the children were shown to us by the teachers. Our guide Dr. Korde madam asked some questions and interrogated the children. The children interacted very well. The children were also given refreshments.

Integrated De-Addiction Rehabilitation Centre-

A de-addiction centre has been set up at the back of the old age home, the area was also very clean and beautiful. The addicts who come to this centre are treated in this place, the person is given physical and mental stability in this place. The person has to stay in this centre for about one to one and a half months.

After all these meetings, Nanasaheb Bhadane, the founder of the organization gave information about his social work and expressed his gratitude. Then the guide Dr.Korde Madam and student teachers Jagruti Patil and Shital Ahirrao also expressed their gratitude and expressed their happiness from the field visit.

There were 36 student teachers with their mentor visited the venue. Visit was very successful and sensational.

HEALTH SCREENING CAMP-

Students are looking for answers to the questions that arise in their growing age in many ways, but if this is done from the school itself, it will help to make a better healthy citizen and it will also help the society. So if in school students spend more time interacting with their peers and only then if the school guides them properly then surely it will help them to become a good citizen in the society. Due to this it will be beneficial to provide health guidance from the school. On January 3rd 2019, a health screening camp was held in the school and through this, mainly to adolescent girls were given information about the changes and structure of the female body as well as the menstrual cycle. On this day, all the girls were guided to attend the school. At the same time, information was also given about the epidemic diseases that occurred in 2018-2019. Doctors and health nurses gave useful guidance. In this way, they were convinced that physical hygiene is very important and at the same time mental hygiene is also important for healthy and successful life.

TREE PLANTATION

Date – 1st Aug. 2017

‘Vrikshavalli Amha SoyreVanchare, PaskihiSuswareAlveeti’ According to this Abhanga of Saint Tukaram Maharaj, trees are always our good friends, so it is very important to conserve trees. Nowadays, tree felling is going on a large scale and building forests are being built by cutting trees. This has affected the animals living in the forest. Felling of trees has also affected the amount of rain, because it does not rain, agriculture is affected. When all these things are happening in front of us, we realize how important it is to understand the importance of trees. In this regard, on the occasion of Forest Conservation Day, it was decided to plant trees in the college premises as well as in the school premises to revive the trees.
